sturgeon medical officer

Dr. James M. Howell, who arrived in St. Albert from England last week, is the new medical officer for the Sturgeon Health Unit.

Dr. Howell was born in England and obtained his M.B., B.S. from St. Mary's Hospital Medical School in London. This is the hospital where penicillin was discovered.

After his degree he interned in medicine, surgery and pediatrics in various London hospitals. After serving in the medical branch of the Royal Air Force from 1959 to 1962 Dr. Howell took a scholarship course at the London School of Hygiene and Tropical Medicine. Here he received his diploma in public health.

He took a position as assistant medical officer in Norwich and for the past three years was deputy medical officer of health in Rotherham. While in this position Dr. Howell was running a multiple screening clinic to detect early signs of deviation from normal

health in adults of working age. He was also very interested in the care of handicapped children.

Several occurrences were instrumental in the doctor's decision to come to Canada. He had read many advertisements in papers and had a friend in public health in Alberta who told him of the opening in the Sturgeon Health Unit. As Dr. Howell wanted to live near a city and yet still serve in an area where there was a challenge to further develop public health services this seemed to be an ideal spot. He is now looking at a house in St. Albert which he hopes to purchase, then he and his wife and their two boys, age seven and three and a little girl one year old will make their home here.

Dr. Howell is replacing Dr. Elizabeth Acres, the former Dr. Hill. Dr. Acres was married to Dr. Stan Acres last March and retired in June to join her husband in Ottawa.

Father Levangle is seen with a carrot that grew right through a wire fence staple. Father Levangle brought the carrot which was grown in the St. Albert Parish garden to the Gazette office last week. He said it was not noticed until it came out of the peeling machine.

Council Prepares Resolutions

At a special meeting of the St. Albert Town council held on Aug. 21 several resolutions were considered for presentation at the Alberta Urban Municipalities Association Convention.

The council is asking the provincial government to allow municipalities a 5% franchise fee on power consumption and to make provision to add a 10% tax on power consumption.

They will be preparing resolutions based on the towns brief to the provincial legislature regarding their new municipal act.

The government will be asked for a firm reply on a previous St. Albert resolution which called for a grant in lieu of the municipal portion of taxes exempted by the province covering such holdings as churches and so on.

The St. Albert council wish the AUMA to have avail

able the government comments on proposed resolutions at the convention before they are voted on rather than after the voting takes place.

Also on the agenda was if plebiscites should go before the voters in the October civic elections. The council was particularly thinking of possible annexation by the city of Edmonton. It was decided that there was not enough information or sufficient cause to consider any plebiscites at this particular time.

The council decided by a resolution that the mayor and staff would prepare a brief to be submitted to the department of municipal affairs with a view to an early meeting with the entire cabinet pointing out the financial problems of a dormitory town and possible recommended solutions to these problems.

Arena and Budget Details

The pros and cons of the construction of and the borrowing for the arena has become a real issue to the ratepayers of the Town of St. Albert. Last week the Gazette carried an article on the council meeting stating the budget had been resubmitted to the Local Authorities Board.

As the Gazette carried only a brief story on this we feel readers would like to know exactly what transpired at the council meeting. Here is the transcript of the minutes on the subject of the budget and the arena fund.

The Council was very disturbed by the letters received from the Local Authorities Board. It was felt that the Board was interfering with the governing of the Town, especially in the matter of spending money. A copy of a letter from Bryan, Foote, Andrekson, et. al. was also submitted at this time supporting the Local Authorities Board. Mayor Fowler introduced a letter from the Town's solicitors, Brownlee, Brownlee, Fryett, and Geddes supporting the action taken by the Town. The Mayor advised that Council must decide who is governing the Town, the Local Authorities Board, the petitioners, or the duly elected Town Council. Councillor Wheatley supported this statement and went further to state that this is a clear cut case of interference; that the Town was acting within their authority to spend the permitted number of mill rates and the Local Authorities Board concern-

ing itself with the rights of petitioners has prevented Council from spending these monies. The Mayor stated that he has attempted to obtain a written opinion respecting 298 (4) of the Town and Village Act from the Attorney General's office and it was denied. Councillor de Bruijn stated that he felt that the budget should be re-submitted to the Local Authorities Board with a copy of the opinion, as put forth by the Town's Solicitors, attached. The Mayor stated that the point was whether or not after having proceeded with a By-law, the Town could drop said By-law and proceed in an entirely different way. Councillor Bakker went further by stating that the question was whether after having once started under By-law No. 14/67, could the Town turn around and spend this money a different way? Councillor Wheatley queried whether or not the Solicitor's letter had really covered this point. Mayor Fowler stated that the Local Authorities Board will not approve the budget that we have proposed because they are of the same interpretation, as others are, that this particular section of the By-law must be submitted to a vote - this is their legal interpretation, from the legal advice they have on the Board itself.

Councillor Wheatley pointed out that the Local Authorities Board thought that the money could be put to a better use, i.e., recapping streets. Councillor Bakker

A joint meeting of the Board of Trustees of the Sturgeon General Hospital and Hon. J. Donovan Ross, Minister of Health for Alberta, was held on Aug. 16.

A full discussion of the pros and cons of the architects plans for the new structure took place in the most cordial atmosphere. As a result of the discussion held a decision will be forth coming within two weeks regarding the acceptance of the plans. This action is necessary to comply with the Hospital Act before proceeding further.

The Board is pleased to issue an interim progress report on their building program.

On Jan. 12, 1967, Dr. J. Donovan Ross, Minister of Health, authorized the build-

ing of a 100 bed active treatment hospital to be built in St. Albert. It was suggested that the plans should be so designed as to provide enlarged service areas and facilities for expansion of the initial facility up to 300 beds.

Accordingly, within the terms of reference outlined by the Minister a preliminary study was made. The Hospital Board worked diligently with the Architect and local Medical Staff to finalize these plans. Usually it takes a year or more to reach the stage that has been accomplished. Studies had to be made of work patterns of every department and their function, and space allocations bearing in mind future expansion. All this data had

When will it change? Gene Perron looks at a sign on St. Albert's main street that was supposed to honor his father Flueri Perron. A spelling error resulted in

the street being named Piron from the original survey in 1884 until it was named correctly by the passing of a by-law by the town council this month.

MAYOR'S COLUMN

Last week I attempted to give an explanation of the increased requirement for tax revenue.

I have been asked by a resident if it would not be possible to reduce the proposed

The following figures will show a further method of reducing the mill rate by ten mills:

Reduce our R.C.M.P. strength and services by one-half	\$26,000
Carry out no Street repairs	19,000
Reduce the snow removal by one-half	8,000
Reduce by one-half our total Recreation and Community Sewer Program	62,000
Forget the arena	40,000
Total	\$155,000.00
MILLS	10

There are a minimum number of complaints re the Police Service in St. Albert. What would it be like should we cut this in half-

Does it make economic sense to spend considerable sums in paved streets, sidewalks, etc. and then not keep them in proper repair? Many of our roads and sidewalks are close to ten years old

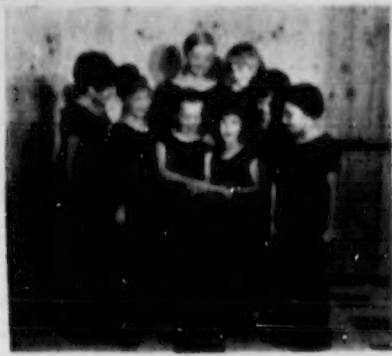

mill rate by ten mills. The answer is YES. Council could likely reduce it more than ten mills if they wanted to completely negate their responsibility in maintaining a standard of services which our citizens apparently desire. You will recall the discontent one year ago when Council decided the mill rate could be kept lower by dispensing with the Garbage street Service.

and normal maintenance costs money.

Are you prepared to settle for less snow removal than we have provided in the past? One thing is fairly certain, should amalgamation with Edmonton ever become a fact you will undoubtedly have to do so.

Five local girls, students of St. Albert School of Dancing, were the first in Western Canada to take, and pass their tap medal tests and six girls passed their Grade examinations in Modern Stage Dancing.

The examinations are set by the internationally renowned Imperial Society of Teachers of Dancing and are the only ones in the tap and stage branch in the whole of Canada.

In the examinations Kim Martin took honors in the modern stage dancing Grade 1 and Cindy Foreand was commended. In the primary Suzanne Reeson was highly commended, Lori Bishop and Marne Matychuk were commended and Megan O'Hara won a pass plus.

In the Junior Bronze Tap Test Kim Martin, Angela Kochan were commended, Cindy Bishop and Maureen Gau were graded in a pass

plus and Marne Matychuk got a pass.

Miss Doreen Bird, from London, England, the examiner is on tour of the American continent, lecturing, adjudicating and teaching RAD and ESTD material.

She was happy to make a stop in Edmonton on her way to Toronto from Los Angeles. Here she examined the nine girls from St. Albert and 10 from a Calgary Dancing School. These are the only two schools in Alberta that make the ESTD examinations available to their students. Miss Bird will return in the spring and will make St. Albert a regular stop in future.

Gladys Smith and Alma Hughes, two teachers from the St. Albert School of Dancing took a teachers course in advanced material from Miss Bird while she was here.

There were 200 pupils taking dancing at the St. Albert School last year. This year the teachers are hoping for 400.

Miss Cavill feted

A miscellaneous shower was held at the home of Mr. and Mrs. Roy Kittlitz in honor of Miss Patricia Cavill, whose marriage to Harold Cuts, elder son of Dr. and Mrs. W. D. Cuts, will take place in the Strathern United Church, in Edmonton on Aug. 26.

Approximately 50 guests were in attendance. The shower featured musical games lead by Mrs. Lillian Upright, Mrs. Cuts and Elaine showed pictures taken on their recent four-week trip to England.

Miss Elaine Cuts assisted Patricia in opening her gifts. Mrs. Kittlitz was assisted by her mother, Mrs. F. L. Akins, her daughters and a niece.

Comments

by Robert Russell.
Mayor Fowler's latest pronouncement leaves me aghast! He maintains, if I understand him correctly, that even if the Local Authorities Board turn down his budget; even if the voters reject the \$40,000, he will not reduce our mill rate but instead he will add the \$40,000 to our taxes and put it into a surplus account.

Such action would be nothing less than a flagrant disregard for the rights of the electorate who pay his salary. Most politicians are blessed with short memories but at least I can remember having voted for a covered year-round swimming pool and I do recall that the covered arena lost. Everyone who voted for the covered pool must have felt they were short changed in last year's combined recreation By-law where they were faced with the decision of voting for the whole bundle or getting nothing.

To build or not to build a covered arena is not the real issue. I insist that the taxpayers have the right to vote on the \$40,000 and the Mayor seems just as insistent in seeing that they do not. If the first estimate on the arena was \$50,000 out, then the people did not have all the information needed for a decision. Mayor Fowler has never explained to my satisfaction why the risk is to cost \$50,000 more

than estimated. Who is responsible for this large discrepancy in such a short period of time?

The Mayor also complained in last week's edition of this paper about the money the Town will have to spend on their lawyer if the argument over the plebiscite goes to court. If the Mayor is so convinced that the people support his action then he should take immediate steps to place the plebiscite before the people at the October election and save all those legal fees.

I'm sure that the Mayor will, as he has in the past, take full opportunity of his position by instructing us on how to vote.

brought up the point of the street maintenance costs. He stated that Council had approved this figure for street maintenance costs. He stated that Council had approved this figure for street maintenance costs as advised by the Engineering Dept. He felt that the Local Authorities Board should be advised as to why Council had arrived at the 1967 figure. Mr. Maandag stated that he felt that we should proceed with bringing our lanes up to standard and replacing curbs, etc. Mayor Fowler thought it should be explained to the Local Authorities Board that the items stricken from the street maintenance budget were not for ordinary maintenance, but were for lane improvement, curb replacement, and bridge painting. It was also noted that the Local Authorities Board had disapproved

Bud Gau Graduates

Bud Gau, St. Albert and twelve other men from every walk of life spent the weekend of Aug. 11, 12, 13 attending a Christopher Instructors Seminar at the Catholic Information Centre in Edmonton. Their purpose to become instructors in the Christopher Movement.

The Christopher Course is sponsored by Catholic laymen, who arrange to have a chaplain give a short talk at each of the sessions. It is a non-denominational improvement course where the participants strive to develop confidence, influence and speaking ability.

The course was conducted by Andy Hermary and Lou Gamache both of Edmonton who just returned from an instructor's seminar in Toronto, Ontario. Father Ted Rozmehel acted as spiritual director.

The participants came from Edmonton, Bonnyville, Trochu, St. Albert, and Red Deer. They represented all walks of life.

St. Albert's Bud Gau became a Christopher graduate.

MAYORS COLUMN

Continued from Page 1

Is it reasonable that our community services be reduced by one-half? Would not a swimming pool opened only part time be a black mark against our Town? Or a \$85,000 Library open only one night a week? Or possibly Community Leagues to make and maintain ice on our six rinks would appeal to some. It would save \$16,820 this year. Or another 1/2 mill (\$7,000) could be saved by dropping out of the Joint Use Programme with the School Boards. Of course all the School Gyms would no longer be available to our Recreation Department.

The Arena can be shelved which will save three and half Mills approximately. But this is a once only charge and when the taxes are collected the Arena will nearly be one-half paid for in one year.

I am not by any means convinced that you would be proud of; nor any way appreciate your Town should a Council make the above mentioned tax cuts.

We are prone to continually compare ourselves to Edmonton. Over the next few weeks I shall attempt to draw this comparison out, as well as give you comparisons to other communities in Alberta - both large and small.

of the amount set aside for the Handi-bus. The Mayor advised Council that the Knights of Columbus would not require the \$4,500 grant. Councillor de Bruijn felt that the \$4,500.00 should be added to the street maintenance budget.

The 1967 budget will be re-submitted to the Local Authorities Board with a copy of the Town Solicitor's letter and with the \$4,500 originally allocated to a local service Club transferred to Account 178231, which is street maintenance costs and that Council respectfully requests that they review their previous decision.

PROTESTANT SEPARATE SCHOOL

Registration 1967 - 68 School Term

District No. 6

Registration Day Tuesday, September 5,

Elementary, Junior High and Senior High School students will register in the GYMNASIUM of their respective schools on Tuesday, September 5th, according to the following schedule:

Surnames beginning	A - G	9:30 - 10:00 a.m.
with the letter . . .	H - N	10:00 - 10:30 a.m.
	O - Z	10:30 - 11:00 a.m.

There will be no school on the afternoon on September 5th. Regular classes will commence on September 6th at 9:00 a.m., except for Paul Kane, where classes begin at 8:40 a.m.

Old Students

Students who have attended schools in the District in the 1966 - 67 school year will proceed directly to the tables marked "Old Students". Here a previously prepared Registration Form will be available - students are asked to bring information regarding changes in address, telephone number, etc. and additions to the family (with birthdates) since last year's registration.

New Students

All students new to the District and Grade One pupils will register at the tables marked "New Students", and are requested to provide the following information (noted on a piece of paper, please):

1. Full Name - no nicknames, please.
2. Date of Birth
3. Birthplace
4. Church Affiliation
5. Name of father, his occupation, business phone (for emergencies)
6. Name of mother, her occupation, business phone, home phone (where applicable - Name of guardian, occupation, phone)
7. Name of family doctor, phone number
8. Student's Home Address
9. Number of older brothers, older sisters
10. Names and birthdates of younger brothers, younger sisters
11. Name and location of last school attended, grade last term.
12. Other languages spoken at home.

Grade One Students

must present their birth certificate at the time of registration as proof of age. Beginners should reach their sixth birthday by December 31st of the year they enter school. However, parents who judge that the physical, emotional, social and intellectual maturity of their child is such that the child would be harmed by not being in school, may register the child for school if his sixth birthday falls before midnight on February 29th. Registration of children in this age category will be subject to a probationary period during which the staff will evaluate the readiness of the child for the Grade One program. The decision of the teacher and the principal will be final.

New High School Students Pre-Registration

and students whose course standings have changed because of summer courses should report to the counsellors at Paul Kane High School on August 30th to September 1st. All students are to report to classes on Wednesday, September 6th at 8:40 a.m. Students should check the "Class Lists" posted on the Bulletin Board for their homeroom allocation. Student Handbooks, Timetables, Textbook Lists and Textbooks will be distributed at that time.

Parents of senior high school students who have questions regarding the program of registration are requested to call Paul Kane Office (599-6961) between August 28th and September 1st, when staff will be available to answer inquiries.

Text book Rental and Fees

The District operates a textbook rental plan which parents may or may not choose to enter. A considerable saving over purchase prices can be realized through this plan.

RENTAL TEXTBOOKS WILL BE ISSUED ONLY ON PRESENTATION OF PROOF OF PAYMENT OF TEXTBOOK RENTAL FEES, INCLUDING ANY ARREARS.

Parents who have not paid for damaged books or who have not replaced lost books from the previous school term will not be permitted to use the textbook rental plan until settlement is made. Post-dated cheques are not acceptable. Parents who are not able to make payment of Textbook Rental Fees on Registration Day should seek an arrangement with the District Office before August 31, 1967. A Voucher may then be issued by the District Office to be presented to the school at the time of registration. No rental fees will be accepted at the schools after 12:00 noon on September 5th, as the staff will be involved during the afternoon in staff meetings, organizing and preparing for regular classes the next day. It is preferable that each child pay his or her book rental fees separately. The Fee Schedule is as follows:

NOTE: Please pass this information along to "new neighbors" in your district. Copies of this notice are available at the District Office, located at 60 Sir Winston Churchill Avenue; phone 599-7766.

Grades 1,2,3	\$5.00 per year
Grades 4,5,6	\$5.00 per year
Grades 7,8,9	\$7.00 per year
Grades 10,11,12	\$11.00 per year.

(NOTE: All High School students will be charged an additional \$4.00 to cover the costs of an identification card, Students' Union Membership, and Yearbook, to be paid at the time of registration. A refund of \$2.50 on the Yearbook may be requested before October 31st.)

Non - Resident Tuition Fees

The following Non-resident fees have been set for the 1967-68 school year for those students living outside the official Town of St. Albert boundaries:

Elementary Students	\$20.00 per year
Junior High School Students	\$30.00 per year
Senior High School Students.	\$60.00 per year

Families living in the Sturgeon M.D. whose children will be attending schools in this District should confirm arrangements with the Divisional Office in Morinville before registration.

Transportation

Students who live within one and half miles of the school (distances calculated by the shortest route over public road and walkways) will not be provided with transportation.

Buses will commence their schedules on September 6th, and will follow last year's schedule for the first week or so. Applications for transportation will be available at the schools and bus passes will be issued to eligible students. District pupils requiring special transportation facilities because of medical reasons are requested to contact the District Office to make arrangements.

School Addition Progresses

C. Schroder reported to the St. Albert Protestant Separate School District No. 6 board on the progress of the Leo Nickerson School addition at the meeting held on Aug. 10. Those present were R. Harvey, chairman, Dr. W.D. Cuts, Messrs. R. Russell, C. Schroder, Dr. J. W. Chalmers, Superintendent of Schools; E. Murray, secretary-treasurer; four members of the public.

Mr. Schroder said that the architect would be inspecting the school on Aug. 12, and will advise the board regarding a date for the board acceptance of the building.

Mr. Schroder also reported on a complaint from Mrs. Bronson of the Leo Nickerson Home and School Association that the contractor, when preparing to place the sidewalk to the new addition, removed a number of shrubs and did not replant them. Mr. Schroder said he had discussed this with Mr. Maltby who will contact the contractor in this regard.

The Superintendent advised that the proposed grade one hours for the Sir George Simpson Elementary and the Leo Nickerson Schools were not approved by the Department of Education. He recommended therefore that the hours for these schools correspond with the requirement of Section 378 (1) (a) of The School Act.

The secretary-treasurer reminded the Board of the Canadian School Trustees' Association Annual Meeting to be held in Saskatoon from Sept. 24 to 26. The Superintendent mentioned also that the Canadian Education Association Meeting was to be held for the balance of that week in Regina. The Superintendent was authorized to attend both meetings.

All students in grades 1 to 6 residing in the area bounded by Highway #2 on the west, and lying north of a line down the centre of Sterling St. and proceeding east down the centre of Sunset Boulevard from its intersection with Sterling St. to its intersection with Namsa Road will attend the Sir

Alexander Mackenzie School for the school year 1967-68. Arrangements will be made to transfer the pupils in Grades 1 to 6 from the Sturgeon School Division No. 24 to the Leo Nickerson Elementary School.

LETTERS RECEIVED

FROM MR. GEORGE T. PINCHBECK requesting the board's assistance in completing a research project in the Master of Education program at the University of Alberta. The board agreed to participate and asked the secretary-treasurer to advise Mr. Pinchbeck to this effect.

FROM MRS. R. WEAR, dated Aug. 1, complaining regarding the noise made by children playing on the playground equipment on the Leo Nickerson School site adjacent to her home.

The secretary was requested to advise Mrs. Wear that the board is not able to move the equipment at this time and that the principal will be requested to speak to the children on this matter.

FROM ALBERTA SCHOOL TRUSTEES' ASSOCIATION, letter dated July 31, regarding the two resolutions submitted by the board to be presented to the annual convention.

The board approve the resolution regarding the removal of school principals and vice-principals from the Local Salary Negotiating Committee as amended.

BE IT RESOLVED that the appropriate unit of teachers for Collective Bargaining excludes those persons whose principal duties are administrative, supervisory or who execute managerial functions, or are employed in a confidential capacity in matters relating to labour relations."

FROM MRS. E. M. MARTIN Supervisor of Reading, dated Aug. 9, regarding the board proviso that Mrs. Martin remain in the district's employ for at least one year following the 1967-68 school term.

The board confirmed its decision to approve Mrs.

Martin's Leave of Absence subject to the proviso that she remain in the district's employ for at least one year following the 1967-68 school term.

FROM MRS. SYLVIA-NICKERSON, dated June 30 regarding her resignation from the position of Attendance Officer. The Superintendent was requested to bring in a recommendation regarding this position. The Superintendent advised the board that it will not be possible to distribute the newsletter on school opening as in past years and recommended that a notice be placed in the local Gazette giving the necessary information.

Mid-West Roofing and Maintenance Ltd. will be given the contract to replace the Paul Kane roof at \$53, per square and \$4.6 per lb. to remove damaged galvanized iron roof flashing and replace with new as required.

A request for a special grant will be made to the Minister of Education to cover the cost of this project.

The fence on the east boundary of the Leo Nickerson School site will be moved to enable the Town to relocate the drainage swale.

The Superintendent reviewed the provisions of the School Act and requested that the Board confirm the board policy regarding the distance from school that a student must live in order to qualify for transportation. He further recommended that all students authorized to ride on a school bus be provided with a bus pass of a type that will not deter-

Mayor Fowler to Cut Ribbons

The newly renovated Bank of Montreal building will be officially opened on Aug. 26 when Mayor Richard Fowler cuts the ribbons at 2 p.m. Guests will then be shown the modernized premises when open house will be held until 5 p.m. Lunch will be served. Bank Manager Andre Tardif and other officials will be on hand to welcome the guests.

The Bank of Montreal first opened in St. Albert in 1955 in a little grey building just

locate rapidly.

Mrs. Barbara Blacklaw be appointed School Secretary to the Sir George Simpson Elementary School as of Aug. 25, and that she be placed on the first step of grade 9 of the Salary Schedule.

Mr. Schroder that Miss Merle Bentley, Miss Jean Craig, Mrs. Annette Cymbaluk, Miss Marilyn Elliott, Mrs. Lucia Horn, Mrs. Dorothy Lien, Mrs. Wilma Mitchell, Mrs. Eleanor Wilson, Miss Zera Sarangi, Mrs. Isabel Rodger, Mrs. Roger King, Mr. Julian Guay, Mr. Paul Radloff, Mrs. Bernice Radloff and Mrs. Marie MacRae were appointed to the teaching staff, effective Sept. 1.

The board approved the introduction of chemical treatment to the boiler and water pipe system where necessary.

Mr. Schroder requested a report covering the current maintenance program of all boilers within the system.

across the river. This was only for three months while the brick building was being made ready. Now it opens again with a 700 square foot addition, permitting installation of a streamlined five-wicket counter. Previously there were only two wickets. Two private coupon booths for safety-deposit-box customers remain. Safekeeping facilities include a steel-and-reinforced-concrete vault and an "around-the-clock" depository unit.

Fully air-conditioned, the interior is fitted with an acoustic-tile ceiling, fluorescent lighting and vinyl-tile flooring.

Bright coloring and wood panelling make the interior decor most pleasing. The colors are carried down to the basement where there is a staff lunch room, wash-

rooms and the usual storage facilities. These are in coral and green shades.

Andre Tardif is the bank manager and is the fourth to serve St. Albert. Hector Arseneau was the first, followed by Gene Rousset, Yvon Bouchard.

The program of extensive alterations began last March Watson (Tofield) Ltd., was general contractor for the project.

Plans prepared by Edmonton architects Rule, Wynn, Forbes, Lord and Partners.

The Bank of Montreal spent the summer months in office space formerly occupied by a pool hall in the block across from the Bruin Hotel. They now move to a completely new building interior with new and modern furnishings.

Open House Aug. 26

A Building with a History

On Aug. 26 the Bank of Montreal building opens after extensive renovations.

This building has a long history which actually dates back to 1912. At that time construction on the Royal Hotel building started. The hotel was posh for its time and had a 150 foot frontage. It was never opened however for prohibition came and it could not operate without the sale of alcoholic beverages.

In 1920 the Bank D'Hochelaga started construction on a building we now know on the main street and is said that bricks from the Royal Hotel were cleaned and some used in the construction.

By 1927 the building was occupied by the Banque Canadienne Nationale. In 1936 this bank moved to Edmonton.

The building was purchased by the municipal district of Ray and served as their office until 1942. At this time there was a group trying to have the municipal office moved from St. Albert to Morinville. This movement was successful and the big brick building on the main street was left empty again.

It was now purchased for a nominal fee by a grain buyer who rented it as a coffee shop until 1955.

In 1941 Gene and Evelyn Perron rented the four room suite upstairs as living quarters and paid the large sum of \$20 a month for the rent and utilities. For the two years prior to this it was rented by Dr. and Mrs.

Porrier.

Since 1955 it has been occupied by the Bank of Montreal.

B. of M. Staff

Manager Andre Tardif was born in Sawyerville, Quebec and started his banking career there. He worked in nine banks in Quebec and

one in New Brunswick. He came to St. Albert directly from divisional office in Montreal.

At the present time there is no accountant here but on Sept. 5 Allan London

will take over the duties.

The remainder of the staff are: Peter Walshe, liability clerk; Leo Houle, training, and Marjorie Bishop, Cheryl Skistod, Louise Gingrich, Shawna Nimsick and Paul-

ette Brodeur, clerks.

This is the staff, ready to serve the people of St. Albert from the Bank of Montreal which has 150 years of experience behind it.

Look what they've done to Canada's First Bank in St. Albert!

Extensive renovations have been completed at the Bank of Montreal's St. Albert Branch and we think you'll like the result: more room, brighter decor and extra facilities... so you can enjoy the fastest, most convenient banking services available.

With added space, we have five tellers' wickets to speed you on your way... and two coupon booths providing complete privacy for safety-deposit-box customers. Plus an "around-the-clock" depository unit.

And surroundings are attractive. There's an acoustic-tile ceiling, vinyl-tile flooring and complete redecoration. For extra comfort, pleasant air-conditioning.

Be sure to see the improvements at the St. Albert Branch of Canada's First Bank. Where banking is better than ever.

HOCKEY

A Hockey Clinic will be held at the University of Alberta from Aug. 28-Sept. (inclusive) for boys aged 9-16 years. Further information and application forms can be obtained from the Department of Parks & Recreation Town Hall.

FALL AND WINTER PROGRAMS

We are in the process of planning Fall and Winter programs and we would appreciate hearing from groups and clubs as to their future needs. It is hoped all the facilities available are put to the best possible use. If you haven't already put in your application we would be glad to hear from you as soon as possible at the Department of Parks & Recreation, Town Hall.

BANTAM Football

On Aug. 21 the first practice of the Purple Duds Wangers was held. It is sad only five boys showed for this practice.

It seems that St. Albert with all its youth could do better than this. The requirements to play in this junior division are all boys born on or after Jan. 1, 1963 (14 years and under) and 130 lbs. and under.

Football is a short season starting Sept. 10 and ending Oct. 9. I hope to see more boys at practice at Vital Grandin school grounds every night at 6:00 p.m.

Also I would appreciate any of the fathers who are interested in coaching or helping to manage the football club.

For further information please call Brandon O'Neill at 599-7998.

ANTELOPE AND SAGE GROUSE HUNTING LICENCE APPLICATIONS

TROPHY ANTELOPE SEASON OCTOBER 21st to 28th

SAGE GROUSE SEASON OCTOBER 21st to 24th

This year a random selection of a limited number of antelope and sage grouse licenses will be made from all properly completed applications received from Alberta residents. "Resident" means a person who is a Canadian citizen and who has resided in the Province for a period of three months immediately prior to the date of application for a licence, or who is not a Canadian citizen but has resided in the Province for a period of one year immediately prior to the date of his application for a licence.

Before applying for a licence it is necessary to have a 1967 Wildlife Certificate. A group of hunters, up to a maximum of four, who wish to hunt in the same vicinity may submit their applications in one envelope. Each applicant is allowed only one application. As there are several areas open to antelope hunting, please indicate on the front of the envelope your first, second and third choice.

The 1967 trophy antelope season is restricted to male antelope only which have horns of a length sufficient to exceed the length of its ears, that is, a horn length of not less than five (5) inches.

The special sage grouse licence is valid only in Wildlife Management Units G 102, G 104 and G 116.

All applications must be submitted on a special form available only at Provincial Fish and Wildlife Offices. As illegible or incomplete applications do no qualify, it is important to read the instructions.

A money order or certified cheque payable to the Provincial Treasurer must be enclosed with each application.

\$7.50 FOR TROPHY ANTELOPE LICENCE

\$1.00 FOR SAGE GROUSE LICENCE

Completed applications should be forwarded to:

Fish and Wildlife Division,
Department of Lands and Forests,
Edmonton, Alberta.

APPLICATIONS MUST BE POSTMARKED NOT LATER THAN SEPTEMBER 2, 1967

Drag finals at Speedway

Terrell Poage, Tumwater Washington, director of division six of the National Hot Rod Association was an Edmonton visitor last week. He came to bestow a great honor to Edmonton's Speedway Park when he announced the granting by the Los Angeles head office of the Grand Finals of Division six of the World Series Championship Drag Meet to Speedway Park. The race to take place on Oct. 7 and 8.

The NHRA is the largest sanctioning body in the world and operates drag racing in Canada, the United States, Europe, Japan, Australia and other countries. Division six of North America covers Alberta, Alaska, British Columbia, Saskatchewan, Montana, Washington and Idaho.

The Point meet, awarded to Speedway Park, will be the grand finals for this division, making it the most important event in the North West United States and Canada. Points won here will be deciding factors for who is to race in the grand finals at Tulsa, Oklahoma. Prize money will be about \$11,000 plus manufacturers contingency awards.

Gaining rapidly in popularity Drag Racing now rates second only to parimutual horse racing as a spectator sport. Edmonton had over

15,000 at its opener this year. There are no age limits, one driver, Vic McCroskey is 76 years old and is way up in division six. Of course on the other end of the stick you must be old enough to hold a driver's license.

Drag racing was officially organized in 1955 and already the two millionth driver has been registered. Most drivers own their own cars, sponsoring firms merely keep them running. The minimum amount to get a car ready for the track is \$5,000.

As cars do not travel as fast in our altitude as they do at sea level handicaps have been prepared. Cars will be running against records set on the salt flats, with this altitude correction factor.

Edmonton got started too late to build up high driver points and about the only local driver with hopes of entering the Grand Finals is Jim Ronaghan with a super stock B, "the Old Trapper."

Edmonton has to add to its present facilities with paved return roads, extra communications equipment and other minor things, when this is complete Mr. Poage says Edmonton will have one of the finest racing strips in the world.

George Robertson, Lewiston Idaho, currently No. 8 in the Canadian American Modified Motor Racing Association Top Ten will race at Speedway Park on Aug. 26. The other top ten will also be racing in the A & W Gold Cup Race, as well as at least 10 local cars -- 200 thrilling laps. Vancouver, B.C.; Spokane, Wash. and Boise, Idaho, have entered five cars each for the prize money of an anticipated \$10,000 to be based on 50% of the gate receipts. Only the fastest 16 will qualify for the Gold Cup Race. Semi finals will provide plenty of action. The race starts at 8 p.m. at the Speedway's renovated quarter mile oval with a new lighting system and better communication facilities.

Where Will The Children Go ?

At the end of June, students left familiar classrooms and teachers which they had just begun to understand. The delightful experience of actually grasping that which had seemed utterly impossible to comprehend caused some enthusiasts to wish that Sept. 1 could come in two weeks instead of two months. Now students of the Edmonton School for Aphasic Children have no school to return to.

Sixty students, including many from St. Albert and their parents want to know - where will they go?

After a carefree summer at home, these children must resume the programs so carefully prepared for them. The parents of these young students have been concerned since the news came that the school which had appropriated last year has been condemned.

It was condemned to prevent a possible future tragedy. All those involved concur, Mrs. Abe Unger, Founder of the Edmonton Aphasic Association has accepted the fact that the present school building does not meet all the rules of the

Builders Code. But the fact remains, the holidays are almost over! Will these children have no place for them to develop, to belong and to prepare themselves for entry into society as is their right?

Each student is carefully screened before being accepted to the Association School so that there is no possibility that they belong in other schools. The Aphasic School prepares these near normal children for eventual integration into the normal school system. It has a long waiting list.

Your support is earnestly sought. Aphasic students are minimal brain-damaged children through no fault of their own. Their slight handicap may take years to detect; their progress after an unlimited time is slow.

Should anyone know of any solution, or have any connection with a building agency or simply desire to assist, contact Mrs. Unger, your M.L.A., Town Council or Government Official.
